

COVID- Keeping Safe

Please only arrive if you are feeling well.

You will be asked to fill out a COVID form on arrival and will be asked to use the hand sanitiser provided.

Please come alone, only one client will be allowed in the treatment room at any time.

Test and Trace is in place and an NHS QR Code poster is located by the entrance – please do scan this.

Your therapist will be wearing a Type 2 mask and a visor.

Face coverings are mandatory for clients entering the treatment room. The face covering can be removed at the start of a facial.

Your therapist will be regularly carrying out their own Covid tests.

If your therapist is even slightly unwell you will be contacted and asked to re-arrange your appointment

Let's Work together to Stay Safe.

Thank-you

Melanie
